My name is Susan Frazier DeLaney. I am related to Frankie on my mother's side, Iretha Slaughter Frazier. I am currently living in the Pittsburgh area. Although, most of my siblings did not get to DC to spend very much time with the rest of the family, the times we did attend Family Reunions, you can be sure cousin Frankie was the life of the party! I am sure all of us can share so many wonderful memories of my cousin Frankie! One in particular was when I brought my late husband Bill to a reunion and he and Frankie automatically bonded. In fact, Bill had wanted his favorite drink Hennessy and cousin Frankie immediately took him to the store and bought it for him. I'll always remember cousin Frankie's wonderful personality and humor. May he Rest In Peace!

Uncle Franky, your warmth, your jolly smile, and your loving ways, will live in my heart forever. You have been a blessing in my life and I will miss you dearly.

Love you always,
Brenda

My dear friend from the 1st grade at Syphax Elementary School in old Southwest DC. Our friendship and adventures together were wonderful and the memories are what remains. May Our Lord Welcome Him Home and May Our Friendship Continue Eternally.
