He was one of the first friends that I made when I was growing up and moved to a new school. I was glad to reconnect with him. Condolences to all of his family and friends. Heaven gained a funny and extraordinary person.

Toby was the funniest, kind hearted man I've ever known. This past summer I happened to be in town to support my mom for a procedure she was having and out of nowhere here's Toby yelling "sis" across the parking lot; we chatted and joked for a bit and end our conversation with big hugs. Toby your presence will be missed and my prayers goes out to the family during this difficult time. Rest well my friend and we'll see you later.

This is still so unreal. What will the lives of your family and friends be without you?!? From your sarcastic asshole like humor, to your big heart. There could only be one Toby Dean Gresham. You will be loved and missed by more people than you probably could imagine. I hope your soul is finally at peace. And I'm sure Zeus was waiting to give you the biggest welcome.

Sending love and healing energy to Joshua, Desi, Tammy, your Mom, Dad and the Woodridge's.

Rest in Heaven,
Jessica and Cionni Galloway

God looked around his garden and found an empty space. He then looked down upon the earth and saw your tired face. He placed his arms around you and lifted you to rest.
God's garden must be beautiful, for he only takes the best.
Will miss your singing at night, your laugh and jokes. How your face brighten up when you talk about your son. Also, can not forget Stephen the cat.
