“ Although we were divorced years ago, I have maintained a connection with the family. We had 2 children; Brandon Kevin (who passed away after 3 weeks), and Olga Elizabeth. Equilar was a great father to Olga from Day 1!! He faithfully had her every other weekend up until she was 13 or 14 when she had friends and a part-time job that she wanted to do. She was still able to spend time with Equilar and Annette, just not on a regular basis. When Olga completed her undergrad work at NC A&T, they came down for her graduation and celebration afterwards. They were beaming with pride. It really did my heart good to see that because I realized how much their unconditional love for her contributed to her growth and development. They have come down for other occasions, the last time I saw them was when Olga and Brandon (just happens to be her brother's name, too) got married during Hurricane Matthew. There were actually a few other members if the Jamison family present. The love clearly evident because they all showed up even when there was a hurricane in the area. I may have divorced Equilar, but never the family as a whole. He brought us all together from the start. I'm thankful we all remained family beyond the legalities. It went a long way in the life of one 6 lb 8 oz baby girl ... and it continues.

“ It is with deepest sympathy that my family offer prayers of comfort to the Jamison/Floyd families. I am a dear friend of Dorothy and I know how much she cared for her brother. Although I never met him, I felt that I knew him through his sister's stories. I know the loss is deep, but I also know there is a God that wipes away tears and wraps His everloving arms around us for comfort. I pray that all of you receive God's Blessings as you go through this storm and know that others are praying for your healing.

“ Dear Annette:

I want to personally send my deepest condolences to you due to the Heavenly transition of your beloved Husband who was also my beloved brother (Brother Dear/Boy). I pray that you take comfort in knowing that our loved one is now in Heaven with other of our family members and he is at Peace. I will truly miss my Brother who was a part of my life for more than 72 years.

I want to commend you for being my brother's wife for more than 35 years and standing by his side during the good and bad times in his life. I know that you truly loved my brother. You two were the perfect "Lucy" & "Ricky" couple (Smile)!!!

Please know that although our loved one is no longer with us, I will always be here for you because we are Family. Thank You for "Always" being there for my Brother; he truly needed you in his life. I am here for you day or night even if it is just to talk or you need a shoulder to cry on.

“ To Annette: From a very sad heart, I meet Equilar almost 40 years ago, I became the new Part Mgr. at Siedel Chevy and landover Md. . Jamison became my driver and receiving clerk, I quickley new he had a lot of potenial. He became parts clerk and was helpful to me in many other ways. But most of all , became one of my very good friends . We work together at several dealerships , we stay in touch over the years. So many times we laugh and talk about our wives and family. Sadley this year , he call me told me about his illness. The tears flow from us both, He will be missed by myself and many others. I told him we would be together again in the KINGDOM OF HEAVEN. I loved this man, and I will miss him deeply.
