

Mr. Lorenzo Orrin Kenny

March 17, 1965 - November 27, 2021

Lorenzo Orrin Kenny AKA, Man, was born on March 17, 1965. He received his heavenly wings on November 27, 2021.

Man received his high school diploma from Lincoln High School in 1983. After high school, it didn't take him long to find his niche in life.

He loved to feed food to anyone who would cross his path whether you were hungry or not, and this is where his passion for food catering started from. He entered the catering business not long after high school and he was so great at what he did, he was requested by elite catering companies for his assistance in catering special events and private parties for celebrities.

Man catered special parties/events that were held at the White House for the Obama's. He also did private events and shows which consisted of stars such as Prince, Diana Ross, Lou Rawls and BB King just to name a few. He often talked about the celebrities he met and he always managed to get a signed autograph and photograph.
