“ *I'm so thankful for the time we had together, for the memories we shared. Although, I wasn't ready for you to leave us, I am thankful that you are no longer suffering. Selfishly I want you here with us! What am I going to do without my Shawn-Shawn aka...Pablo! I love you little cousin and I'm so thankful that I was able to tell you that, because you know how I'm not good with being affectionate! You are greatly missed and forever on my mind and definitely in my heart. Rest now baby, until we are together again. Loving you always!♥*

“ This has been one of the hardest things that I have ever had to accept in my life. I struggle with it daily, and I believe I will continue to do so until we meet again!

Malachi told me he missed you, but he's not sad, because he'll see you in heaven. I remember he saw you in the hospital and said " Shawn, you're going through a lot huh?", and you answered him by saying "yeah, but I'm good". You always answered us by saying you were OK, just a little pain. I will always admire how hard you fought your battle with cancer. You never complained! I'd give anything for another day with you! I bid you farewell Big Cousin, until we meet again!! I love you.

“ One of Achante's favorite songs was "Must Be Nice" by Lyfe Jennings. You have now left us, but everything I hear that song I will think of you! Forever!
