“ *Aileen and I met about 37 years ago when I was hired to work in the DC 's Department of Human Services Contract's Office. Even though we have both retired, we remained in communication with one another. I want to offer my condolences to her twin sister, her nephew who she referred to as her baby and other family members who she dearly loved. Aileen will be missed because she kept me informed about our colleagues with whom we worked with. RIP Aileen, you maybe gone but you will not be forgotten.*

Was truly my friend, and co-worker. Even after we left the government, we continued to keep in touch with each other. She was always there for me , I will always miss her, and may heaven smile upon her.

“ Cousin I will miss you. I remember me and Eddie going to Aunt Chris' house during the summers and spending time with all of you. So many stories and good times. You were the line dancer of the family and I will miss that. I'm still shocked.

“ To The Ingram Family
I am sincerely sorry to hear of Aileen's passing. I met Aileen in the District Government and she was always bubbly, friendly and outspoken. She would do anything for you. I just chatted with her before Thanksgiving and she was doing great. If there's anything I can do for your family, please let me know. I certainly will pray for you. May God wrap His arms around you and give you all the love possible. Be Blessed and God is still in control.

Peace and Blessings

Althrouth I never met Alieen, she is beloved by family and friends and at (John5:28,29) it tells about a time not to far. That Alien will be among the ones that, Will be resurrected. To live.

I met Aileen through my niece they were very good friends. When I became ill and had to have surgery on my vocal cords she came to visit me in my home. She seemed as though she knew me all the time. She was truly an amazing young woman. When I heard of her passing I was very sad that the world has lost another great person. She was genuinely generous and caring and had a really hardy laugh. My condolences to her family whom she loved greatly and spoke of proudly. Rest now Aileen take your rest we loved you but God loved you best.
