“ *We all adopted him as our Pop Pop from the moment we knew how special he was. I am so glad to have met and known such a great person and he will be missed. When I think of him I think of the awesome grandfather he was to his grandson and it brings a smile of a memory to my face. Loosing him to this earth means gaining him in heaven and what a great place to be.*

My heart goes out to the family, may God's love be sufficient in these times and comfort you when you need it the most. I am glad to know that Pop Pop will be looking down on us knowing he is resting well.

Love you ,

Lisa Daniel

“ *I am sorry to read about your loss. May God's words in the Bible at Ps 34:18 provide you comfort. The scriptures tells us "HE" is near to those broken at heart, and those crushed in spirit HE saves.*
