“ *Skizzy! The best cousin/brother ever. I will miss our conversations about the old days...about Annapolis, Brewer Hill Cemetery where so many of our ancestors going back to the 1800s are buried. Listening to all the antics he, Michael, Billy and Carolyn had at "The House" where Big Mama lived, and all of the new stories and reflections about family, your love for Quincy and Alycia, work and of course...hunting. Sorry that trap you set last fall to get some deer didn't pan out. They must have known you were up in that tree waiting for you. Sleep well, dear cousin...no more pain. We love you.*

“ I am sending my deepest condolences to your family during this incredibly difficult time. Albert aka Skizzy, was a true friend to me and a joy to be around since we were kids growing up together. Friends are the family we choose and losing him feels like losing a part of myself. We remained close throughout the years, and I will always cherish my memories of our fishing and hunting expeditions. My thoughts and prayers are with you all.

Geroge McCann -- Will miss you but I know you are in a better place!

“ Albert was truly the kindest, most loving, funniest, and most helpful person I've ever known. He was someone I honestly hope to be like one day. I remember growing up and always asking him for advice on how to cut my grass better. We would always end up talking about his hunting and fishing trips. Knowing that I won't be able to have those conversations with him anymore makes me incredibly sad. But I know in my heart that he is resting peacefully with God and Jesus.

“ Wow..lovingly known to us in chapel oaks as Skizzy, he will always be in my heart as a fantastic friend, since I was 13 years old and walking thru the North Englewood path. He always looked out for me in those days and I will always be most grateful. His burden is lifted and I believe he is with God whom he loved and worshipped. Rest in peace my friend. Love you always. “ Throughout my childhood, I remembered seeing my cousin coming to visit my grandmother Beverly’s house on Hunter Place SE. They would talk about keeping the family together, his love for crabs, and her love for crabbing & fishing. Hearts and hugs to my Worsley family. ❤️❤️❤️ □□□□□□□□
