“ *I thank GOD for allowing me to be a part of my aunts life for so many years. We grew up together in a wonderful family. She was my close friend as well as my aunt and I am going to miss her so much. I know where she is and I will be able to send kind words to her all the time. I lost my mother in June, which was Alethia's sister. They applied for the same job and got hired. I know they will do a swell job LOVE YOU BOTH
