“ *I worked with Alex at Constitution Hall and we became friends over the years. I have never known anyone more helpful, trustworthy, or reliable than Alex. Without a doubt, he was one of my favorite co-workers of all time. Always a smile, always a calm steady response no matter how anxious the moment. It has now been almost 20 years since we worked together, yet he still stands out for me as at the pinnacle of who I would want as a partner on any project. To the family, please accept my condolences for your loss; the world has lost a great man that I miss dearly already.*

Sincerely,

Kevin Spence
