“ My uncle was always a loving, warm welcoming man. Even if you weren't family , he made people feel like FAMILY! Im so glad I was able to see him just a couple months ago in the hospital.... we chat and laughed. The world is now missing a sparkle , but I'll be sure to look for you in the sky. Kiss Grandma Tine for me. Love you dearly ,

“ With heartfelt sympathy. Alexander was our nephew and will sorely be missed. When we had family reunions, Alexander would always be there. Even though we cannot be with you in person, our spirit and prayers are with each of you as we grieve during this time.

*With love,*
