“ I remember being in junior high school and at the time Freda worked at the Navy Yard. She had just brought a brand new pair of oxfords, they were all red. I wore them shoes to school the very next day. (She didn't even get to wear them first) I thought I could beat her home and put the shoes back. Well, Freda made it home before me that day and when she seen me in her brand new shoes she chased me all around the court where we lived. I was running for dear life LOL. I think about this all the time and laugh at different things we done when we were younger. I'm going to miss my big sis always ❤️

*My deepest condolences to the McMorris Family. Alfreda's loving, caring, most generous, and kind spirit touched everyone she knew. She was always talking about her family. She loved her daddy, sisters, brothers, and children, grandchildren, and great grand child. Now Alfreda loved on people all the time. When she could do something for you she did. She was the best unconditional, loving, happy, smiling, and blessed human being you would ever want to be BFF with. I'm truly going to miss my BFF,
R.I.P. Freda, I'll see you when I get to Heaven

Sorry to hear this sad news. Alfreda was just in my mind two days ago with the memory of her watching the soap opera at the gym while riding the bike. She was always a pleasant person at the BEP. My condolences to her family and friends.
