“ I have so many beautiful memories with Aunt Alice but ig my favorite memories are with her and Uncle Joe visiting us on weekends with my parents Aron & Rachael and watching the love birds Uncle Joe and Aunt Alice cutting a rug on the Dance floor. Aunt Alice truly a Jewel and she is already missed terribly. I will always love you Aunt Alice. Ik you got your wings and are with Jesus. Uncle Joe and the rest of our loved ones that have went onto Glory. Thank you for loving me inspite of what others may have thought about me. You knew I was worth a lot before I realized it and I appreciate you more than you knew. RIHP love Vernet Mason Lanier

“ Aunt Alice was a gem. She was kind and bold as a lion. She indeed had style and grace and could steal the room with her embrace.

She and her best friend, Uncle Joe, were a wonderful pair and helped us understand God's word: a man shall leave his father and mother and be joined to his wife and the two shall be one flesh. They are one and displayed their love through their embrace, a graceful dance, or a quiet moment.

To our cousins, our hearts are with you as we know you will miss your Mom as you miss your Dad. You have had the wholesome benefit of loving parents and can cherish more than 50 years of their love.

RIP Aunt Alice. You have earned your crown.
