“ *Cynthia Best worked with Alice all her career and retired her and myself at the same time. Also talked to her two or three times a day we were closer*

“ *Alice was my neighbor for many years. She was a sweet person. If she ever needed your help for anything she always insisted on giving you money to show appreciation for your time, effort, and your patience. Alice was very generous, so sometimes I had to sneak the money back into her pocket so that she wouldn't know that I gave it back. When she discovered that I had given the money back next time she visited or spoke to me; she fussed me out (Shirley you know, I'm not a moocher... etc...etc... etc...) I would tell Alice that friends have the right to say that's okay; when I need it I'll accept it... Reggie and I could always count on her to give us help whenever we asked... Alice was A God Sent Angel To Us... Love And Miss Her Dearly...*
