“ I met this wonderful gentleman at my mother's apartment building. I enjoyed talking with him whenever I saw him. He often had a radio that played the best jazz music. I pray for the family and friends of Mr. Williams.

“ To Cousin Al's Family:

*I was quite taken back to hear about his passing!! We talked frequently about ourselves, the family and world events!!! We also shared many memories and got loud chuckles about many!! He always ckecked on my health as I did about his!!! It was puzzling to us as to why we were the only remaining member of our respective families??? But con cluded that we were most thankful to still be around!!!*

*I will miss our chats and the great times we spent together in person!!! He was a special Cousin!!! I was fortunate to have spent a special closeness with him over the years!!! May his family know the my sincere sympathies and condolences are sent to them!! And that they be specially bleased during this period of bereavement and there after!!!*

“ I only had the pleasure of meeting Alonzo briefly. That was in April 2019 when my elder son and I paid a visit to Washington DC to meet up with a long lost relative, my third cousin, Sharon Winget, Alonzo’s partner.

He was a warm, friendly guy with a mischievous glint in his eye, who had clearly had an interesting and full life, blessed with family and friends. It was so sad for Sharon and his family that he was taken from them so suddenly. I and my family here in England send our sincerest condolences.
