“ Happy Birthday,  
Thinking about the laughter and love you gave and shared with all of us. This is the 4th weekend in August. My wedding in 1978. The doors opened to greet the bride. Who jumps on the white carpet and hollers to Daddy, Come on Down...Price is Right??? No everyone was Celebrating the Miracle of Life and witnessing a Healing  
I was an afterthought. 😊. You and I shared so much. Thank you for loving me and I knew. Now your baby and her babies and their babies give me that same unconditional love. I am so grateful. I miss you but you are always in my heart ❤️.

We had not seen each other for a while, however, I was able to speak to her briefly when she was in the hospital & for this, I am so grateful I thank God that HE allowed our paths to cross over 40 years ago. I will truly miss her & she will be in my heart forever. I love you Bonnie, rest in peace & I will see you in the KINGDOM!!! much love to you & your family Angie. Please keep in touch.....
