“ *Deepest condolences to the Danner family. There are no words that can truly erase the pain when losing a loved one. May the promise at Acts 24:15 and Revelation 21:4 bring a small measure of comfort and may God grant peace in the days ahead.*

“ *My deepest sympathy to the Danner family. And remember what we have once enjoyed, we can never lose. All that we love deeply becomes part of us. May god bless you all.*
