“*It is never easy to lose a love one especially, a mother, sister, and or friend as she was to so many people she touched. Take comfort in the Lord, knowing he will never leave the family, and she is in her Glory walking all around Heaven as only Amanda could do!*

*"It's never easy to say Farewell to someone that was loved and touched so many. May you find comfort in Our Lord's Bosom, strength in his arms, and always remember that now we all have an Angel watching over us. My prayers for the Rucker Family as we lay to rest a Beautiful Soul".*

*I am standing upon the seashore.  
A ship at my side spreads her white sails to the morning breeze  
and starts for the blue ocean.*

*She is an object of beauty and strength,  
and I stand and watch until at last she hangs  
like a speck of white cloud  
just where the sea and sky come down to mingle with each other.  
Then someone at my side says,  
' There she goes! '*

*Gone where?*

*Gone from my sight... that is all.*

*She is just as large in mast and hull and spar  
as she was when she left my side  
and just as able to bear her load of living freight  
to the place of destination.*

*Her diminished size is in me, not in her.*

*And just at the moment  
when someone at my side says,  
' There she goes! '  
there are other eyes watching her coming...  
and other voices ready to take up the glad shout...*

*' Here she comes! '*
