

Mr. Andre Darnell Crowder

May 9, 1981 - June 8, 2021

Andre Darnell Crowder was born on May 9, 1981 in Washington, DC and was called to his heavenly home suddenly on Tuesday, June 8, 2021.

Andre was known as a quiet, kind and loving individual to everyone he met. Andre always had two career loves in his life, computers and cooking. Andre graduated from Crossland Senior High School in Camp Springs, Maryland in 2000 where he discovered his first love of working with computers. He also worked with his Culinary instructor and did catering with his company after finishing high school. Andre went on to do a cooking internship at the Washington, D.C. Homeless Shelter. Andre continued cooking while he worked for Target, Harris Teeter, Sprouts and lastly Lowes Fresh Food Markets. He would go out of his way to assist people in any way he could. He was just a gentle helpful individual.

Andre was always a quiet person who first discovered his love for computers by going to the library and borrowing books in which he taught himself HTML and with the help of his computer teacher, he helped design the high School's webpage. Andre also had another love, he loved to cook and bake! Dre would pursue anything that would make him better in the world of cooking, he would go to a restaurant and instead of eating his meal, he would sit and examine the food to find out what the ingredients were so he could make a better version of it at home that he could call his own.

Andre love football, although he would pick the underdog teams, he would wear his football jersey of the Minnesota Vikings the most. He loved to bowl, but mostly he just like helping people.

Andre was preceded in death by his grandparents: Vancy and Earline Bowers and a loving stepfather, James Edward Brewington, Sr.

Andre leaves to cherish his memories a loving mother, Artie Marie Brewington, one uncle, Eugene Bowers of Maryland, two aunts, Louise Williams and Odessa Carter of Maryland, Terry Powell of Maryland (god-father) numerous cousins (especially Steve Carter who he shared a special bond), his longtime childhood buddy Jamal Lewis, a list of people he considered to be his "special aunts" along with many other friends and relatives.

“ *The loss of a child is a pain no parent ever wants to bear. Like a Mother's pain bringing a child into the world is eased by the joy of their being born, being loved, being cared for, and being able to watch grow up. The pain of God's timing when a child is taken from this world is eased only by knowing God has received him back to Himself. May Andre have a peaceful rest and may the family find peace in knowing he is now in God's care.*

“ *I worked with Artie many years ago and I remember Andre's picture on her desk. Later on during that time I had the honor of meeting Andre and will always remember how he was so hard working, loved cooking and working with computers. Sometimes I would call Artie and I would also speak with Andre. We had great conversations. He was quite a young man, very respectful, considerate and it was always an honor knowing him. Anybody's life he touched was extremely blessed and honored to be his friend.*

I will miss him but will never forget all he contributed to life and he will continue to live forever in my memories.

God bless you Andre. Please know Artie and your family that my thoughts and prayers are with you during this time.

I will always remember you Andre. Though you were quiet and unassuming; you were always helpful. Thank you for calling me and letting me know whether the Megabus was running on schedule. Or how you would make sure you check on Mr. Vance and Cousin Earlene. I know how proud your mother was of you when you baked those beautiful cakes . You were resilient, and resourceful always working to make a living. Though words are inadequate to express how much we will miss you we know that GOD holds you close now and we pray for your mother especially for strength in the coming days months and years.
