“ On behalf of my husband, James W. Byrd, Jr., (a/k/a Duck) I would like to share with family what Angie meant to me in the form of an Acronym of her first name as seen through my eyes. I am reminded of many conversations with Angie and my husband sharing with me about the times they spent together in their youthful days along with his deceased brother, Richard Bey-Byrd.

A—Authentic—genuine in nature, staying true to oneself

entertaining-fun to be around

E—Engaging—devoted to family/friends and those needing aid and/or assistance of any

kind

L—Loving—affectionate in manner, fondness in her demeanor

A—Adamant—immovable, unwavering, uncompromising once her mind is made up about something

Rest in Peace Angie; Better Has Come For You!

Yours in Christ
