

## Angela Mack

July 7, 1948 - July 20, 2020

Angela Hazelock Mack

On Monday, July 20, 2020, Angela Mack passed away in Bowie, MD. She was a native Washingtonian born to parents, Frank Lee and Mabel Hazelock, who preceded her in death. She attended various local schools and graduated from Cardozo S.H.S., Trinity College and American University in Accounting. For those that knew her and/or ever met her, know she had a love affair with numbers. Accounting was her life-long love. Her high school sweetheart, Dorsey Lee Mack, Jr., who also preceded her in death, together created 2 children Kimber Lee and Dorsey Lee Mack, III. She has from them 4 grandchildren: Grey, Mia, Nadir, Trew and 1 Great-grandchild Saige (last names to be inserted) to continue her legacy and cherish some of her memories.

Angela's career as accountant began at Dorothy Stead, Inc., Bureau of Engraving, H&R Block to establishing and owning her own businesses; Tee's Service Center and Burda and Assoc.

There will be a memorial service at a later date. Please continue to share your stories and memories of her with her off-springs and each other.

Let's say a prayer, raise a toast, light a candle and send encouragement to her family and friends.

# Tribute Wall

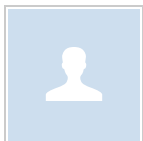

“ *I miss my friend, Angela. She was always good to me and had my back. We shared so many memories together. I will forever miss and love her. Rest in peace. Murphy Payne*

“ *I will miss Angela so very much. I will miss our long telephone calls when we talked about and shared inside jokes. I will miss how she welcomed me into her home, and those moments when I would lay across her bed and we would talk while she was making jewelry. I thank God that she knew that I loved her because I told all the time. I was able to talk to her on the phone one last time, before she was called home, again I told her that “ I love you” and as always in a soft voice she said, “ I love you too.” Rest well Angela.*  
*I Love you*
