“ We thank our dearest Aunt Rose for sharing herself with us and always making us know that she loved us. Every time we connected with her was such a positive, warm and inspiring memory. She has taught us so much by her example how a life lived in faith, righteousness and generosity is possible....and how to move on to her heavenly home with such strength and dignity. Aunt Rose has left a very deep imprint in our lives and souls. We will try to always live up to the standards that she has set and maintain the values of family. God will bless her soul for eternity.

Sincerely,

“ Dear, sweet Rose, you brought so much joy to everyone you met. Our years as friends will be held forever in our hearts, as will your inner light. The evenings spent at your home, with your beloved Spike, family and your many friends, all of us laughing and carrying on over games of UNO, chatting about our gardens, or simply enjoying coffee and cake, will be remembered in tenderness and happiness.

*You were an angel among us, and now can watch over us.*

*You will me missed, Rose, but thank you for giving us the gift of you time and sweetness.*
