“ I will miss our almost daily conversations, our funny little sayings and quips that we shared over these many years. How we used to get up at 4:00 a.m. to make sure that we got to the pottery and all of the malls for the best sales. You and I were the only two daughters left and not only were we sisters, we were also friends. We looked for special gifts to give to each other. There were times when we went to “special occasions” events for your church that you invited me to. Our sister Lois, you and I had howling good times laughing. We were born Cristian and as such, I rejoice knowing that you are with the Lord. Your righteous acts these many years is the long robe that you will wear. On 8/9/24 the day after our mother’s birthday, you stepped into eternity and in the arms of God. You were a hard worker, a joy and a delightful sister until the end. I know that you did not just pass away, that the passing turned into a shout of joyful praise. Your sister in life and in Christ Irene
