“ I've known Anthony for over 3 decades. I am proud to be able to say that he is my friend. Not that he WAS my friend, but that he IS my friend. It's just that it will be a while until I see him again, but I know will. He was a HARD HARD fighter. Right to the end. Never gave up. If I could be even half the man he was, that would be more than I should ask for. Rest in peace my friend, Warren

“ I remember your Birthday party down at the Harbor, I went and purchased Ribs and a Chocolate Cake (did not like chocolate cake) among other things, because I wanted you to have and enjoy your day, but when it was all done you said that, this was the best ribs and chocolate cake ever. You were a blessing to me and I will miss you, RIP Mr. Pinder, love always Miranda.
