Death is nothing, but to live defeated and inglorious is to die daily. The fear of death follows from the fear of life. A man who lives fully is prepared to die at any time. Our dead are never dead to us, until we have forgotten them.

Much Love & Respect baby boy - You will never die by spirit. ONE LOVE King□□□

To the Cunningham / Robinson Family,

May God hold all of you in the hollows of his hand while all of you grieve. I was deeply saddened to learn of your son's / brother's passing. Please know many people are praying and loving all of you from afar. Artell was a gift - a gift from God whom he shared with the rest of us. May he forever rest and sleep in peace. God has him now. He is whole once again - he is himself once again.

With all my love - Diane Williams
