“ *Never known life without my Nana. With all of my grandparents gone, all that mattered was I still had my Sweetie. Even with your health declining and memory fading, you always asked me what I wanted or needed. I will miss sleeping in the nursing home beds with you and rubbing my fingers through your hair and seeing your giant smile. Life will NEVER be the same without my favorite little party girl always wanting to hang but never able to stay awake. Thank you for being such an incredible grandmother and a better friend. I love you and miss you soooo much!*

There are no words to express my sorrow for your loss of Mama. When we lose a loved one here on earth, we gain an angel in heaven. May you and the family find comfort in knowing that you have an angel to watch over you now.

When Aunt Peggy and Mama get together, what a time, what a time, what a time..... (MJ)

“ *Momma,
I will never have another one, but I will always cherish the memories that I have of you, I know those memories will get me through my tough times. May you rest forever in peace until I see you again. I love you so much and I told you every time we talked and I know you loved me more.
