“ *Merry Christmas Mommy, I know this was your favorite time of the year. I'm happy you were able to enjoy the decorating we did before you left us. I loved surprising you because you gave so much to us and it's the little things that you loved in return. I miss your phone calls and just dropping in on you and your crew. They miss you also. I am so happy God gave us all these years with you & I thank Him for that every day. I love you and miss you terribly.*

“ *Family: I will always cherish the last words your mom/grandma said to me on that Saturday before she passed. She said in a strong & loving voice: "It's been a long time since I have seen you". I could tell she was happy to see me & she greeted me same loving way she had done since I met her almost 20 years ago. Love you G'ma Jean! God's Love, Peace and Comfort to the family* 💕
