*To the Wells and Walker family. Thank you for allowing me to be a part of the homegoing service if our Emeritus Steward Breatrice Walker. She served in stewardship as long as I can remember at GMPBC. She was not only a church member, but what we call a home girl, straight from North Carolina. Mrs. Walker pressed her way, until she pressed as long as she could, that's a great steward. I pray for all the family and friends and our church, because we have lost a great pillar in our midst. However, I believe she would not exchange it for the world. She is in the presence of the Almighty God and the Son. Be if good courage family, one day we shall see her again around God's throne. Love Pearl Coley*

“ Aunt Bea had a beautiful soul inside and out, the family had come to Maryland for a visit and Aunt Bea made breakfast, my youngest son was a little boy at the time and he would always say Aunt Bea makes the best fried potatoes. Love you Aunt Bea. Hugs and prayers to the family❤️ From the Grant family.

“ Still trying to grasp that you are no longer with us physically. When you arrived home after your last hospital visit, you were so happy to be home, calling family as if you were ready to leave us for good; sure enough Monday came and your body was here but you had already journeyed to glory. I miss you so much. Love you forever.
