“ To the Cox Family, from Gregory & Sandy Hammonds. I am deeply sadden with your lose of Brother Ben. The times that Ben and I shared, talking, he was always able to share his Wisdom & Knowledge with me, and I will always hold on to that. God has blessed us all with his time.

“ Uncle Ben, you will truly be missed. I loved the way you stepped in when my father died and took on the role of my “Daah” even though I was an adult. I was so fortunate to have two fathers at the same time. I will miss our long talks, us working on the computer together and oh yes the battle with that Pittsburgh fan in the house. We were Washington fans and I will really miss hanging out with you watching the game. I love you and I miss you. Your niece and confidant - Paula
