“ *I*

*My name is Carmen Davis. I met Bert almost 10years ago and we became instant friends. We prayed together and went to church with each other. We also partied together a cabaret we went to every year. There is a group of us- Barbara who passed just 2months ago,Lisa,Sheila,Lorraine,Gladys,Blanche,Ann who passed in 2008 and me. We are The Big Dogs. Bert was a wonderful person who loved her family a lot. She would tell me stories about her life and family and didn't have to repeat the story because there were so many. I can't stay for the funeral because I am caregiver for Mr. Ralph Hall. Guess what? He is from Thomasville,Ga. He's 95 years young. He too tells a lot of stories about Thomasville. I will miss her but I have my memories and pictures. God bless all of her family and friends.*
