*We send our sincerest sympathies to Pastor Smedley and the Smedley
family. I remember Ms. Louise very well; she was the first person I met
at Mount Pisgah. Every time I saw her, I felt love coming from her; she
was such a sweet example to me of God's love and I carry that with me
even now, many years later.
My deepest condolences to you Pastor and your entire family.*

*Dear Pastor Smedley, I am so sorry to learn of Mrs. Smedley's
passing. I have so many wonderful memories of her as she welcomed
everyone to church with smiles and hugs! She always had an aura
about her that made all feel loved and welcomed. She never forgot a

Most of all I remember how much she loved and cherished God and

Deepest condolences, Rev. Smedley, on the passing of Louise. She was always a bright, energetic and loving person. It was an honor to have known her (and you) during my years at Allen. She is an angel who has now received her wings.

My name is Francis Jeffries. No one who reads this know me. I knew Louise from 1973 to 1977 when we both worked for the DIA. Louise was our secretary. She worked less than 10 feet from me during the time I was there. Everybody loved her. She always had a great smile. I never saw her get mad at anyone. I know she will be missed by everybody who knew her. It was an honor and privilege to have known her. Rest In Peace Louise. Francis Jeffries

I am so sorry to hear about Louise's transition. I pray God's mercy and healing for you and your family. I always loved Mrs. Smedley's loving spirit and kindness. I remember how excited should would always be to share spiritual guidance to couples during church service at Mt. Pisgah. She was truly a lady of grace and her radiant personality was infectious. Her earthly presence will be missed. May she find eternal joy with our heavenly Father.

“ When Sister Smedley stopped in the parking lot after service and talked to me as if I was an old friend, even though she didn't know me, I decided to join Mt. Pisgah. Pastor Smedley, I don't remember if I ever shared that with you. I used to attend your Bible study on Tuesdays. I once asked you if you could recommend a church in Houston Texas for my youngest daughter, and you spoke with her on the phone. (I hope you remember me.) My condolences for your earthly loss, but I know your heart is overjoyed that she's not lost; she just went home and is waiting for all of us who will be blessed to see her again one day. What a special person she was. Her light will always remain in a corner of my heart, as will you.

My memories are too many to share but I will share this - her unconditional love for so many will never be forgotten. She could always see beyond to a persons heart and purpose. Smedley, family, friends and children that love her so much. As she sleeps, we will continue to carry our memories and strive to live as she lived - by the Fruit of the Spirit in love, peace, joy, kindness, gentleness, patience, forbearance, self control, goodness, and faithfulness - all that she was in my eyes.*

“ Sister Louise was simply a jewel!!! The quintessential "First Lady" who just adored everyone she met. The love she extended to my family, wasn't just because we were members of the church, she just simply loved us for who we were. There wasn't anything she wouldn't do for you when asked. You just wanted to be in her presence. And, most importantly, she supported Pastor Smedley tirelessly in his church ministry often traveling from their home in Temple Hills to Columbia many times throughout the week. She loved to support others and show the love of Jesus wherever she went. I am grateful that she was part of my life for over forty years. She loved Rev. Donald L. Smedley to her core, and supported all of his ministry endeavors. Mom Smedley will be remembered with love and joy.*

“ *Where did the time go, but I remember the great times at Essex County High School in the class of 1966. She will be greatly missed but our memories will live on. She was fun and special who had a contagious beautiful smile...*

Our condolences, Gladys Johnson and sisters Drucila and Jennifer and families. Donald, May you find comfort in these sad times. God loves you.
