“ *Aunt Bethel was my grandmother's Rebecca Rucker Aunt. I met her as a young women when visiting DC while I was in college. I knocked on her door, told her who I was, and she treated me with so much love and kindness even though I was a stranger to her. She welcomed me in her life... I love her for that and for sharing her family stories with me. She was gorgeous, spunky and loved her Great Grand daughter Raven so much .. Love you Aunt Bethel!*

“ To the Quander Family:

*The loss of a love one is so hard to face,
you just want to hide,
go somewhere and escape!
But death is something,
we all must go through,
I know it's hard,
when it's someone you loved and knew.*

*Just know now,
She is in a better place,
no more hurt or pain shall she face.
It seems unfair and yes this is true, but
to everything there is a season, and a time
to every purpose under the heaven:
A time to be born, and a time to die.*

*God has called her home to rest!!
And she's being well taken care of
Because God knows best!*

*My deepest sympathies go out to you any your family.
May God give you the comfort and peace that you seek
and may the soul of your loved one rest in peace.*

“ OUR ANGEL BETHEL GOT HER WINGS

*We didn't want to say goodbyes.
All we could do was pray for you with teary
eyes.
Losing you was one of our greatest fears.
Now we have to reminisce your kindness through the years.*

*Seeing you go really tore our world apart.
We promise you will always be in our hearts.
You are no longer suffering or even in pain.
When God took you he made you whole again.*

*It saddens us that you had to go.
Pictures, love and memories are the only things left to show.
Standing now on the golden stairway with a smile on your beautiful
face.
For God is waiting with open arms to feel your warm embrace.*

*God is holding your beautifully manicured hand as He walks you
home.
You may be gone but on earth your spirit shall forever roam.
Even though it turned out to be such a heartbreaking day.
Our hearts are smiling because "Our" angel got her wings today.*
