“ *Mrs. Jenkins always made me feel welcomed in her home. She was very sweet and kind. She would talk to me as if I was one of her kids, which really made me feel like part of the family. She will be miss, but never forgotton. To the family I say that she is at peace and I pray that God has given your hearts peace at knowing she will never have to endure suffering again. God bless*

“ *So sorry to hear of the passing of Sis. Jenkins. She was a great friend of the family and I have many memories of growing up with her children and her family coming to our home on Sunday afternoons. She has a special place in my heart as she spoke at my mothers funeral. Sis. Jenkins was always checking up on me, making sure I was following the line. I am so glad that she got her reward and made heaven her home. She will be missed.*
