*I will remember Betty Washington, librarian, awesome seamstress,
great mother and good friend. Betty traveled with me to my home in
Galveston, Texas. I laughed so hard because as we drove down some
pretty narrow roads,she felt like the cows were too close and wanted to
go a different route. I will remember her laughter and giving spirit. To
her family, be strong, cry when you must, God knows your heart, and
He through His Son, Jesus Christ, will always be your strength. Much
love,
