“ *May God bless you all as you mourn the Homegoing of your Mother and Father, our friends, Frank and Beverly. We loved them; however, God loved them best! We love you! Mr. Stewart & Mrs. Maggie*

“ *Praying for peace and comfort for the family. Beverly and I hit it off right away when Frank introduced us several years ago. I knew some of the people she grew up with in Lincoln Heights and we had a good time going down memory lane. She was a sweetheart and I know she is at peace with her Beloved Frank. Rest in Paradise*

“ My deepest sympathies to the family on the passing of your folks. I was a work colleague of Frank's and I later met Beverly when all of us went to a train show in York, PA. She and I decided we didn't want to walk around all that concrete for hours on end so we found ourselves a reasonably comfortable chair and table and began to get to each other. Bev and I shared a passion for forensics and serial killers. I know what that sounds like a bit strange but we hit it off really well after we discovered that. It was a really great day. I had finally found someone who didn't think I was crazy because of that. I will miss my "partner in crime" and I am so sorry she is gone because now she knows all the answers! Love and miss you, Liz
