“ *Extending my sincere condolences to the family of Blanche D. Mays Maness. May The Almighty continue to bless, guide, and protect her soul/spirit on her continued existence.*

My memory of Mrs. Maness is of her being my 3rd grade teacher at Jefferson-Houston Elementary School in Alexandria, Virginia, and our periodic interactions, over the years, at various ACPS or City of Alexandria functions as an adult.

I was fortunate to have had her as my 3rd grade educator while attending Jefferson-Houston because she provided the additional care, education, concern for my well-being, and a nurturing nature while I was one of her students. Mrs. Maness exhibited a firm, but fair hand, and I can say that I know I was a handful as she fed my hunger for knowledge and guided my development, recognized some of my personal and emotional needs as one of her young students.

Mrs. Maness will forever be fondly remembered and loved...

I am truly sorry to hear about the loss of Blanche Delores whom we affectionately called, "Cookie." We were friends during middle childhood to the beginning of high school and are famil connected. She was a warm, friendly, beautiful, and active friend. We took dance lessons together and attended many childhood birthday parties. We lost communication after she relocated to Alexander, VA. May her family be comforted, strengthened, and given peace through our Lord and Saviour Jesus Christ.

“ My memories with Cookie was every summer my parents drove me to my grandparents farm for one or 2 weeks during the summer. My mom, Cookies aunt Jessie, wanted me to spend time with my cousins in Virginia. Cookie and I were the same age and bonded like sisters. We grew up from childhood to young adults. I am putting together a memory book for her daughter. Please give Krishner her daughter's address and email so I can contact her. Sue Wyche
