“ *I'm so grateful to have met Bobbie. Her wisdom was invaluable as we served together on committees at Carrollsburg Condominiums. She was brilliant, funny, and kind, and she shared insightful stories of navigating this world as a woman in an era where this was particularly challenging. May she rest in peace. I will miss her.*

“ *I met Bobbie at Carrollsburg Condo. We were at the mailbox sharing pleasantries and realized that we were born on the same day. She said "I'm getting ready to go out and celebrate my birthday." I said "today is my birthday too!" And we laughed. She was such a light and good person. She loved her family. May her loved ones find comfort in this time of bereavement.*

Mrs. Bobbie Creque was a loving mother to the both of her daughters she was very pleasant and professional to those she came in contact with never had anything bad to say about anyone, mind her business lived her life being the best woman she could be not asking for to be liked or be the center of attention I lived my life as I saw fit if that wasn't good enough for some of you then learn from my daughter's what you can do, they are my life legacy they will be here to remind you who I was and what I stood for, I was suave and carried myself like a Queen sitting on my throne that's the kind of lady I was.
