“ *I miss him, we texted on friday, feb 12, he was good, we talked about him moving, and he said he was accepting donations to the Brandon furniture fund lol, and then it all came to an end. I am still in a fog, since it happened, going thru the motions, and still feeling how unbelievable this is. Night time has been difficult for me, not sleeping well at all. I keep worrying about him out there, is he ok, is he scared, is he cold. God help us all*
