“ My heart is heavy. I am grateful for the time we spent together. You were my big sister for over 20 years. I loved your attitude, your smile and your wit. Those outings and trips will be in my heart forever. Thank you for being there for me through the good and bad times. Rest well sis. You will truly be missed. Love you girl.

Brenda was more like a sister than cousin as we grew up together in the same neighborhood in Wilmington NC known as The Bottom!! In addition, we enjoyed many times playing at the Seabreeze Home of her mother and my father. We visited "Bop City" which is now known as Freeman Park. Those Days are always in my heart and mind!! Love ❤️ you, Brenda!
