“ *My name is Bonita Briscoe. My prayers and condolences go out to Brenda's family. Brenda was a faithful participant in the Bible study we had at BLS. She always did her Bible study homework. She will be missed.*

“ I send my heartfelt condolences and love to Brenda’s family and friends as we mourn her loss. I worked with Brenda for about five years at BLS and getting to talk and laugh with her (and her beautiful granddaughter, Charlii) almost every day brought me such joy. Brenda, even though I’m still hurting and still can’t believe that you’ve passed on, I will forever be comforted by the memories we made together. I still crack up into belly laughs when I think about some of our BLS antics, LOL. I will miss you forever and I’m so glad you are a part of my life.

Sending love and prayers to my extended family. Brenda was my grandson’s aunt, and she was an amazingly awesome aunt beyond compare. And, equally can be said about her as a loving grandmother. Brenda was always gracious with her time and attention. And, whenever we saw one another, Brenda greeted me with a smile and/or a hug. Truly, my heart is breaking for the loss of a dynamic, vibrant, devoted, and selfless individual. Brenda, you are and will be greatly missed by all who were blessed to have known you.

RIP Queen...

“ To Ms. Louise, Tony and the Williams family. Sending my condolences and prayers to you all at this difficult time. I was SHOCKED and SADDENED when i got the phone call that Brenda had passed away. As a CHILDHOOD friend I'm hurt to hear she is gone but a honor to have known her for many years as we grew up together. When i say a funny women and one of a kind that would be Brenda. May you take comfort in knowing there is one more angel above us. Her memories will live on and she will always have a special place in my heart.

“ I was a co-worker in Brenda's office for many years, so I saw & talked to Brenda many times each day. She was almost always in good spirits and had many friends in our office and throughout our building.

I also knew Brenda had a long commute when she mentioned the bus connections she needed to travel to & from work.

I really enjoyed when Brenda's granddaughter, Charlie, would visit. Kevin, another co-worker, and I would talk to Charlie & Brenda, asking Charlie about her school studies, fashion styles, & her friends, etc.

While I will, of course, remember Brenda from the many years we worked together, I will also fondly remember talking to Brenda & talking with Charlie as she went through elementary & maybe even early middle school.

My condolences to Brenda's family & friends, as she was a super nice & considerate person. It is especially sad that she passed away at a relatively young age before she could enjoy retirement & her granddaughter, Charlie.

Tom Marton, retired co-worker.
