“ *Mr. Allen was such a kind man. He would always make sure everything was going well with me and my class and was always so caring. Tuckahoe will not be the same without seeing him in the hallways, he is missed greatly. My thoughts and prayers are with him and his family. - Jessie Everett*

“ *Brian never failed to greet everyone with a bright, warm smile--even if you were just passing through the cafeteria on the way to make copies, or walking by in the hall, he always greeted you by name and made you feel appreciated. I extend my deepest sympathies to you and your family. Keeping all of you in my thoughts. -Margaret Cox*

“ *Mr. Allen always had a smile and if he could he would brighten anyone's day. He was brave to fight cancer like he did and had such a positive attitude. That would inspire anyone who might be faced with the same. I was honored to know him and work with him for many years at Tuckahoe. God be with your family. Kathy Payne*

“ *I'll never forget Brian's smile, kindness and strength. Coming into work everyday and seeing his friendly face made my day. Whenever I would ask how he was doing, he would say, "oh, I'm doing good." Even though I could tell he was getting tired! He was a very special friend of mine and I will miss him terribly. Walking the halls of Tuckahoe, I can feel his presence still there! Rest in Peace, Brian- Love you! Jane*
