“ *As we prepare to lay you to rest this morning, I think of the great work with which the Lord occupied you here on earth- raising a beautiful family and taking great care of my Aunt. Thank you for being one of the most consistent, stable male figures in our lives - teaching, caring, and giving lasting memories to all of the cousins along the way, as evident in the videos. Your smile is permanently etched in our hearts. With a tear, rest Uncle*

“ Condolences, I'm just so loss for words. Mr. Carl Gee was our buddy at Dept. of State. He reminded me so much of my dad & looked like him, just a little tiny, smaller & was a family man too, & told us how to keep our family well prepared financially in case this ever happens. Always talked about his kids & wife, kept us laughing. He was just on my heart within the last 2 weeks. I'm sure going to miss him. Rest in peace, buddy. Maxine
