“ From middle school to navigating adulthood, you will truly be missed. My first motorcycle ride to life decisions. To telling me my shoes are not where it's at!! You are now riding high my friend. Your job here is done. I will miss you and our oh so funny conversations about crazy nights. You left a lasting impression on everyone. Rest up my dear friend.

“ My dearest cousin words can't explain this pain, how much I miss you, and love you. Our unbreakable bond was one of a kind. Soo many magnificent memories of you! I remember how we all would be trampling to the door, grinning ear to ear, as soon as we heard that engine from around the corner screaming, "Carlos is here...Carlos is here." We got each other in and out of pickles but thats what real cousins do 😊 You were and still are our everything! Always have and will love you through thick and thin! My little big cousin you are now with the KING, till we meet again Cuzzo❤️❤️
