“ My memory of Kitty was when we worked together and she was pregnant with the twins. When they were born she was so proud of her baby girls because she had two boys and always wanted a girl. God blessed her with two. I will miss all the laughs, fun and secrets we had when we use to cut up. I can truly say you were a strong, proud black woman. I'm gonna miss you Sis. I love you 💔

“ My Memory of my mother would Mommy and daughter pampering times or watching scary movies together. My Greatest Memory was when i was 4 and i had the stomach flu and had to lay in bed all day and curling up under my Mommy all day while we slept. Her being a Mom and nurturing me back to health. Missing days of work just to care for Me.
