“ Carolyn's contribution to the federal effort to assure equal opportunity for minority populations to gain access to programs addressing minority health and health professional education disparities will be her legacy. She cared and we are all better for it. I pray the family finds comfort in knowing she is with the Lord and those in Christ will see her again. God bless!

“ I will never forget the fun times I shared with you as I was growing up. I remember times when it would snow we would sneak outside and make snow ice cream. The little neighborhood girls group. The soul symphonettes the music test. Can't forget singing in the choir under your direction. But most of all looking like your grandma Clarine. I will always remember you with love. Gone but not forgotten.

“ *My deepest condolences and sympathy to my family at this time. We do know that all things work together for good to them that love God, to them who are the called according to his purpose. While our dearly beloved Carolyn has fulfilled her earthly purpose, she will truly be missed by so many. I am praying for you JR, Ursula, Aunt Bert, and Gail as well as the rest of the family, as together we will get through this time of loss. May the God of comfort be with each of you.*

*Blessings and Peace  
Aunt Betty*
