“ To The Harris Family and Community of Friends,

"Strength and dignity are her clothing, and she laughs at the time to come."

Proverbs 31:25

It is with great love and honor that I want to give my condolences to all whose life has been touched by the one and only, Mrs. Carrie Lee (Jones) Harris! What an incredible mother, wife, friend, advice giver, and caretaker she was. My family was so blessed when we moved to the Fort Washington area over 30 years ago, and my parents (Jimmy and Lucille Thomas) who needed desperately to find a loving, dependable, and trustworthy caretaker for their three young children, would find one like none other. Who would God bless us with? Ms. Carrie! She was a disciplinarian but full of so much love, sense of humor, and laughter. We absolutely loved her and the whole family! Our love grew so deep that there were times we didn't want to leave Ms. Carrie's home. Such a close relationship, familial bond, grew between our families that she would allow us to stay over; keep us when our parents were on travel; support our parents when running late from work (trying to cross that Woodrow Wilson Bridge). Her daughters (Jackie, Jan, Sharon, and Faye) were like older sisters. Even as we grew older and moved on to school, becoming latch-key kids and no longer needing child care, Ms. Carrie would look-out for all those older kids she once cared for (now Indian Queen students!) as we walked home, standing at her glass door and waving to us. While our community was safe, it was a comfort for me to know that I or my siblings could go to her home if we were in need. She was a valuable member of our village. It has lasted all these years with phone calls, cards, visits or paying respects. As family move away and children grew up, she was the hub for keeping us abreast of old friends and families. Although seeing her face and thinking about her now brings tears, I am so thankful that our life intersected with her life. What blessing! Thank you God!!! Ms. Carrie will always bring a smile to my face and warm memories to my mind. Thank you, Ms.

Carrie, for all your love and support. Thank you for taking such awesome, tender and faithful care of the Thomas kids. We'll love and think of you forever! Until we meet again...Rest in Sweet Peace!

*Hi Janice,
What a beautiful tribute to our mother. Thank you so much. She loved her daycare children just like you all were apart of our family. And,, I will always keep those memories close to my ❤️ heart.....It is so hard to believe this is not a bad dream. I know my mother is at peace but there were no signs of her coming to the end of her life. I am still in shock. Please continue to keep us in your prayers. Love you all.
Best Regards!*

“ To Sharon, Jan, Faye, and all the Harris Family,

Know that your mother's absence from this earthly realm means her presence with the Lord. Carrie was such such a beautiful and caring person. We certainly will remember her and all of you for the diligent and loving support you provided our family upon moving to this area. Jimmy (Man-Man) was the first child (a boy for she and Milton) that she provided full-time child care, then Nicole and Janice as well. I believe this ignited her business. Every child she cared for became special to her; she treated them like her own. When they were ill, she never failed to call and check on them at night. We remained friends and talked often on the phone. Her hearty laughter made me laugh. I, we will miss her, but her spirit remains in our thoughts, hearts and minds. Ours prayers of comfort are with you.

*Sincerely,
Mrs. Davis & Family*

“ My deepest condolences to Jan, Faye, Sharon and the Harris family during this time of bereavement. Your mother was an amazing woman and she will be truly missed. Her kindness was contagious and her memory will live on forever. A mother is with us always, first in her lifetime, then forever in our memory. May she rest in peace and may her memory continue to be a blessing.
