“ *A selfless leader who put your life, ahead of hers. A vivacious lady with style and class. A teacher and a visionary. But, most of all, a WOMAN OF GOD. THAT WAS CARROLYN N. ANDREWS.*

“ *My deepest sympathy goes out to the family. Carolyn and I were co-workers during the early 1970's at the Department of Education. She was a blessing in helping me to acclimate to DOE. I will always carry fond memories of her.*

*God Bless,  
Sandra Washington*
