“ *I was so saddened to learn of Cassandra’s passing. I worked with Cassandra 50 years ago at AACTE in DC. We kept in touch all these years. She was one of the sweetest people I ever met. My thoughts are with Richard, Noelle, Pam and Kevin. Vicki Hunter Carlee*

“ Cassandra was a member of our ukulele group, the Ukeladies. She was such a delight to have with us. Her love of music, her talents in art and her quick wit and sense of humor made her such a special person. I will miss her. I'm so glad I had the opportunity to be her friend. My condolences go out to Richard, Pam, Noelle, Kevin and all of her family. I am sad she's no longer here but she leaves behind wonderful memories in our hearts that will always be with us.

“ Cassandra lived in my neighborhood for the past few years. She always had a smile and a funny story to tell. I miss my friend but I trust she is at peace and with other loved ones gone on before her. My deepest sympathy to Richard, Noel and Pam. Debbie Braese
