“ To the Boone and Green Family, my continued prayers of comfort and sympathy extended to you all on the passing of Uncle Cecil. I have so many fond memories of him growing up on Capitol Hill into my adulthood, and although my dad wasn't present, Uncle Cecil became my mentor and father figure, and the best uncle a girl could ask for. We could have those hard conversations and he never passed any judgment, he only encouraged me to see my own strength in the midst of life storms and was compassionate enough to operate in the things of God and clothe me in unconditional love. He was man who loved his family dearly, he was a hard worker and provider. He leaves a wonderful legacy through his children Karen, Kenny and Clinton and I wish to thank you all for sharing him with me over the years. My childhood was blessed immensely as a result and I am ever so thankful. As a believer, I recognize that you are only asleep Uncle Cecil, and that if I/we live life on Gods terms we will see you again in Heaven rejoicing with our Heavenly Father . RIP Uncle Cecil and thank you for being a beacon of hope in my life, thank you for all our conversations and unconditional love and most importantly thank you for letting me know how proud you were of me In the woman I have become. Always your niece Shelia
