“ To Pat #1 and Telethia,  
*I am truly going to miss my phone conversations with Mr. Sparger when I was trying to reach Pat. I never met him in person but he had a kind and warm voice. We would laugh on the phone together and it was delightful.*

*I know you will truly miss him, caring for him and loving him. Although his physical being is no longer here, you are blessed with so many memories that his presence will still be alive. God will take care of you. He will wrap his arms around you when the days are long. He will give you peace when you are troubled. He has already blessed you by taking your loved one from pain and suffering. Know that you have friends, like me, that will come by your side when needed and only just a phone call away.*

*I love you both and you are in my family prayers.*

*Your friend,  
Pat #2 and Family*
